

DECLARATION OF INTERESTS FORM

Members of the PREPARE general assembly (GA), executive board (EB) and/or PRACTICE clinical coordination team (PCT) may have interests related to their expertise. To ensure the highest integrity and public confidence in PREPARE's activities, members of the PREPARE GA and/or EB/PCT should disclose any circumstances that could give rise to a potential conflict of interest related to activities conducted within the framework of PREPARE, a project funded by the European Commission's Seventh Framework Programme (FP7) under project number 602525.

All PREPARE GA and/or EB/PCT members must disclose any circumstances that could represent a potential conflict of interest (i.e., any interest that may affect, or may reasonably be perceived to affect, the expert's objectivity and independence). You must disclose on this declaration of interest form any financial, professional or other interest relevant to the activities conducted within the framework of PREPARE, and any interest that could be affected by the outcome of activities conducted within the framework of PREPARE. You must also declare relevant interests of your immediate family members and, if you are aware of it, relevant interests of other parties with whom you have substantial common interests and which may be perceived as unduly influencing your judgment (e.g. employer, close professional associates, administrative unit or department).

Your declaration of interests will be publicly available on the PREPARE website www.prepare-europe.eu.

Please answer each of the questions below. If the answer to any of the questions is "yes", briefly describe the circumstances on the last page of the form.

The term "you" refers to yourself and your immediate family members (i.e., spouse or partner with whom you have a similar close personal relationship, and your children). "Commercial entity" includes any commercial business, an industry association, research institution or other enterprise whose funding is significantly derived from commercial sources with an interest related to the activities conducted within the framework of PREPARE.

AFFILIATION: St George's University of London, UK
